

ZUFF Fire GmbH

Disclaimer

Effective date: 31/10/2025

Version: 2.0

Next review date: 31/10/2026

Zuff Fire GmbH makes every effort to ensure the safety, reliability, and performance of the ZuffFire Extinguisher. However, fire situations are inherently unpredictable, and results may vary depending on the size, type, and intensity of the fire, as well as environmental conditions and user operation.

1. Intended Use:

This product is intended for use only on small, initial-stage fires. It is not a substitute for professional firefighting equipment or emergency services.

2. Safety Notice:

Always ensure your personal safety first. If a fire cannot be controlled immediately, evacuate the area and call emergency services without delay.

3. Performance Limitations:

While the Zuff Fire extinguisher is formulated to act on multiple fire types, effectiveness may be reduced if used incorrectly or against large, spreading fires.

4. No Liability:

Zuff Fire GmbH, its affiliates, and distributors accept no liability for any injury, damage, or loss resulting from misuse, improper storage, unauthorized modification, or failure to follow the provided instructions. properly if cookies are disabled.

5. Disposal:

Dispose of used or expired extinguishers responsibly and in accordance with local waste management regulations.
